20. **The coming slaughter.**

According to **Revelation 9:7–19**, God's got more evil coming. God will make horse-like locusts with human heads and scorpion tails, who torture people for 5 months. Then some angels will kill a third of the earth's population. If he came today, that would be 2 *billion* people.

Christians have spent thousands of years coming up with excuses for a loving God that would allow or create such evil. In reality the Bible portrays God and not Satan who is the ultimate entity of evil!
