

# **BIBLE STATES - GOD CREATED EVIL!**

**BY OLEG DEI**

When Christians are confronted with the question where did evil originate from, they are quick to point out that God is good and he gave men free will. Because men choose to act in an evil manner they are the ones responsible for the creation of evil.

However the Bible clearly states that ***it is God who created evil!***

If God created evil where do these morons get the idea that God is good since according to them every word in the Bible is true. Yet another big contradiction in their belief system. But the real explanation is Christians do not know the Bible, they get their information from their child molesting priests!
